

July 2024

Dear Parents / carers

As we approach the end of this term, we want to express our sincere gratitude for your ongoing support with School Fund. Your contributions have made a significant impact on our students' wider educational experience.

These additional funds enable us to enhance our extensive extra-curricular program, support our students' development and broaden their learning experiences beyond the classroom. Please take a look at the attached leaflet for more information on our extra-curricular activities.

We understand that families have varying capacities to contribute, and we deeply appreciate every donation, regardless of size, as each one makes a significant difference. Your generosity will help us continue to offer an exceptional education and shape the future leaders of tomorrow. If you haven't already, please consider making a donation.

We welcome one-off payments, and we are also extremely grateful to those families who make a regular contribution as they enable us to plan the best ways in which to support our young people on an ongoing basis. This year your payments have also enabled us to boost the Praise system considerably, celebrating the successes of our many students with Praise Points and Celebration assemblies.

Contributions to the Fund can be made via ParentPay. You will see an icon for School Fund on the front page of your ParentPay account.

Thank you for being an integral part of our school community. Your commitment to our students is truly appreciated.

Wishing you a restful break and looking forward to another successful term ahead!
