

Meeting for all students

We would like to meet all 72 Bronze students on **Monday 4th November at 3:15pm in the Hall** to check that they have completed at least one section on eDofE. All students must attend and those not making sufficient progress risk not being able to continue with the award.

If students require any advice or support please come and find Mr Withey (G1.11) or Miss Wilson (C3.8) or email us at dofe@arthurterry.bham.sch.uk.

Progress on eDofE

Students need to have **completed** their Physical, Skill and Volunteering sections by 1ST MARCH 2020 (4 months away) to be able to participate in the expeditions this year.

The students below have not submitted their proposals for all 3 sections online and had them approved. They must do this immediately as officially they are uninsured to carry out activities under the DofE:
