

### You have until you are 25... but don't leave it that long !

---

This could be the strongest year for Gold. Almost everyone is on the brink of completion and six people have already had their award sent for local and then regional approval! Please feel free to contact us if you would like some further advice, and as most of you are former students, please let us know by email if you input further evidence on eDofE as we do not check the progress of former students regularly. You can email us at any time at: [dofe@arthurterry.bham.sch.uk](mailto:dofe@arthurterry.bham.sch.uk)

There is currently at six-month wait for invitations to the Palace but hopefully if you all complete within the next couple of months you may all get invited on the same date (and we might come too!) **Please note that we cannot send your award for external approval until you have completed the 'Gold Award Presentation' form on eDofE.**

Here is the status of our Gold 2017 students as of 6<sup>th</sup> September 2019:
