Attendance Team

The attendance team at Arthur Terry school consists of the following people:

Adam Ball – Assistant Headteacher

Charlie Sheppard –Attendance Officer

Tricia Davies – KS5 Attendance Officer

Attendance Matters – Our Target

96%

As a school we ask that all students including those categorised as Disadvantaged and SEND (referred to as Vulnerable throughout this document) achieve at least 96% attendance. We recognise that for some this may be a challenging target, therefore we will provide additional support to students and their families to encourage excellent attendance.

In keeping with our vulnerable first ethos our aim is to ensure that we reduce any gap between vulnerable and non-vulnerable attendance figures.

Attendance Matters – The Main Principles

- There is a direct link between attendance and attainment at school. The Arthur Terry School is therefore committed to working with parents and carers to ensure all students achieve as high a level of attendance as possible. Students are set a target of achieving at least 96% attendance.
- Parents/Carers have a legal responsibility to ensure that children of compulsory school age attend school regularly. Students should be at school, on time, every day the school is open, unless the reason for the absence is unavoidable.

Attendance during one school year	Equals this number of days absent	Which is approximately this many weeks absent	Which means his number of lessons missed
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons
80%	38 days	8 weeks	200 lessons

- Schools have a duty in law to refer any absence of 5 days or more where they have been unable to contact the parent/carer/child or have general concerns about the absence to the Local Support Team.
- Schools are required to take an attendance register twice a day, and this shows whether a student is present, engaged in an approved educational activity off-site, or absent. If a student of compulsory school age is absent, every half-day absence from school must be classified by the school, as either authorised or unauthorised. The decision lies with school as to whether or not an absence will be authorised. For this reason, information about the cause of each absence is always required.

Absence

Absence can only be authorised by the Head Teacher, within the boundaries set by the Education (Pupil Registrations) (England) Regulations 2006.

Head Teachers may not authorise leave during term time except where the circumstances are exceptional.

Please remember that parental illness, going shopping, visiting family, truancy, not wanting to go to school, alleged bullying (speak to school immediately to resolve the issue), family holidays are not acceptable reasons to be absent. All of these will be recorded as unauthorised absence, including if your child arrives at school after the close of registration.

Family emergencies need careful consideration. It is not always appropriate or in the best interests of the child to miss school for emergencies which are being dealt with by adult family members.

Being at school with support from staff and peers can provide children with a safe and familiar background during times of uncertainty.

It is a parent's legal responsibility to ensure their children receive appropriate education. Failing to send your child to school regularly without good reason is a criminal offence.

Reporting Absence

If your child is going to be absent from school, it is important that the school is made aware.

Reporting Same Day Illness

If a student is going to be absent from school due to illness, then a Parent or Carer must complete the 'Same Day Absence Form'. This can be accessed from the school website by clicking the blue banner or clicking [here](#).

This form will need to be completed by 8:30am to ensure the attendance marks are updated. If this form is not completed Parents/Carers may receive a truancy text.

The Headteacher may require further evidence to authorise an absence and if this is the case the attendance team will be in contact.

Please note that this is the only way of informing school of a 'Same Day Absence' due to illness, parents/carers should complete this form each day their child is absent from school due to illness.

Medical Appointments

Where possible, parents are required to arrange appointments outside of school hours, e.g. dentist, doctor.

If this is not possible, parents should notify the Attendance Team **prior** to the appointment by emailing attendance@arthurterry.bham.sch.uk or for 6th form students 6thformattendance@arthurterry.bham.sch.uk

When emailing the attendance team please include any appropriate evidence to support the absence such as:

- Medical appointment card with one appointment entered
- An appointment letter from a professional such as a hospital Consultant or Psychologist
- Print screen of a text message appointment

If evidence is not provided, then the absence may be marked as unauthorised until evidence is provided.

Children Missing from Education (CME)

As a school, we are concerned about any child or young person who may be missing education because in addition to their educational development their safety and wellbeing may be at risk.

The Birmingham City Council Children Missing from Education (CME) team works jointly with schools in respect of pupils on roll at school, who are absent from school and their whereabouts is unknown'. This might be:

- A child who is not at their last known address and:
- has 5 or more days of continuous absence from school without explanation, or:
- has left school suddenly and their destination is unknown. This policy does not cover those children not receiving education due to a family not taking up an offer of a school place from the School Admissions Service.

Home Education – Parents/Carers Role

Parents have a responsibility to ensure that their children of compulsory school age are receiving efficient full-time education. Some parents may elect to home educate their children and may withdraw them from school at any time to do so (unless they are subject to a School Attendance Order). Where a parent notifies the school in writing of their intention to home educate, the school must inform the local authority using the Birmingham City Council EHE referral form, before deleting the child from its admission register.

Registration and Punctuality (KS3 – KS4)

For safeguarding purposes, a register is taken at the start of the school day and each lesson. Each student will receive two registration marks throughout the day, an AM and PM registration. These two registration marks contribute to a student's overall attendance percentage.

Morning Registration (AM)

- All students are expected on site by 8:45am each morning. A movement bell will ring at 8:45am, students have 5 minutes to ensure they are in registration.
- The morning register will be taken at 8:50am after the second bell. Any students who arrive after this time will be coded as **L** and will be issued with a same day 30-minute detention.
- Students who arrive after 9:10am will need to enter school through reception and speak directly to the Attendance Officer. The student will be marked as **U** (Late) and this absence will be marked as unauthorised.
- If the student's lateness is due to exceptional travel circumstances this detention *may* be cancelled. This will need to be in liaison with the Progress Leaders and Parents.
- There may be occasions where in liaison with the Attendance Team and Progress Leaders special consideration for lateness will be granted for a short time and a student will not be sanctioned. Special considerations for lateness will need to be discussed prior to a student's lateness. Parents should email attendance@arthurterry.bham.sch.uk to discuss this.

Lesson Registration

- All staff will complete a lesson register throughout the day, if a student is late to their lesson teachers will use their discretion and may issue a same-day 30-minute detention.
- For safeguarding purposes, a lesson register informs the member of staff who they are expecting in their lesson.
- If a student has not arrived to their lesson but has been present throughout the day the member of staff should ask for an On Call Attendance Referral.
- **It is a student's responsibility to ensure they have informed their teacher at the start of the lesson if they are going to not be in their lesson but are in school.**

Afternoon Registration (PM)

- Students will receive their afternoon registration mark during their Period 4 lesson. Students have a warning bell at 1:00pm and are expected to be in their lessons by 1:05pm. Teachers will use their discretion and may issue a same-day 30 minute detention for any student who arrives after 1:05pm.

Tracking your child's attendance

Your child's attendance can be viewed on Go4Schools in the "At a glance" section:

At a glance 	
Attendance	100.00%
Registration group	7A4 (Mr J Green-Pride)
Positive behaviour points	61
Negative behaviour points	-2

If you believe the attendance figure for your child is **incorrect** please email attendance@arthurterry.bham.sch.uk.

Sixth Form Attendance and Punctuality

- All Sixth Form students should be available on school site from 8:45am to 3:35pm. The school day finishes at 3:05pm, however on the occasion that a Sixth Form student receives a detention they will be required to stay at school until 3:35pm.
- On joining the Sixth Form, students sign up to a Sixth Form Code of Conduct. As part of this, and to ensure that students make good progress in their studies, excellent attendance is essential. The attendance target for the Sixth Form, in line with the rest of the school, is 96%.
- As part of the Sixth Form Policy students are expected:
 - To attend all timetabled lessons
 - To attend all registration sessions, tutor periods and assemblies
 - To report to any lessons where a staff member is absent unless they have been told otherwise
 - To arrive punctually for registration and lessons
 - Not to arrange routine medical appointments during lesson time
 - Not to take driving lessons in school time
 - Not to miss school for any reason related to part time work
 - To follow the procedures laid out in the school Attendance Policy regarding lateness, absence, illness, and leave of absence. Failure to do so may result in absences being recorded as unauthorised
- We recognise that some of our Sixth Form students travel longer distances to get to school. As per the main school policy, students will be issued with a 30 minute same day detention for lateness. If the student's lateness is due to exceptional travel circumstances this detention *may* be cancelled. Students should discuss this with their Tutor and Director of Sixth Form. Tutors may contact home to discuss travel arrangements to support punctuality.
- There may be occasions where in liaison with the Sixth Form team special consideration for lateness will be granted for a short time and a student will not be sanctioned (for example if a student moves out of the local area). Special Considerations for lateness will need to be discussed prior to a student's lateness. Parents should email sixthform@arthurterry.bham.sch.uk to discuss this.
- Students in Year 13 are expected to continue to attend lessons up until study leave for exams commences. Failure to do so may result in students being withdrawn from exam entries.

Monitoring Attendance (KS3 and KS4) – Target for all students is 96% or above

Student's attendance will be regularly reviewed, and the following actions could happen to support student's attendance.

In keeping with our vulnerable first ethos students who are categorised as vulnerable and have attendance concerns will be targeted first at all stages.

At all stages we want to work with Parents/Carers to support their child's attendance. The below actions work as a **guide** only and different support methods may be more suitable for some students.

COVID Addendum: Due to the current pandemic and the need to isolate for 10 days if a student tests positive for COVID, some of the stages below will not be appropriate. This will be reviewed regularly in line with Government announcements.

Stage 1 Attendance Concern (Below 96%)

School will intervene and offer support using the following:

Tutor conversation with the student/parents/carers about potential attendance concerns.

Tutor/Student Support Services/Progress Leader to meet with student and complete a three houses activity.

Attendance Officer to meet with student/parents/carers.

Stage 2 Attendance Concern

Stage 2 Attendance Concern may be initiated if a student has 1 or more unauthorised absence and no reason from Parents/Carers has been given.

School Attendance Review Meeting arranged with Attendance Officer and Progress Leader. School Attendance Review Meeting action plan completed.

Home visit arranged, if appropriate.

Stage 3 Attendance Concern

Initiated after Stage 2 and in total 10 or more unauthorised absences.

Formal Attendance meeting organised with Attendance Officer and Assistant Headteacher in charge of Attendance, Formal Warning Notice issued.

School will begin liaison with the Local Authority, if appropriate (see next page for more information).

Local Authority Referral

If a student has at least 10 sessions of unauthorised absence in total and all previous actions have been followed, the school will seek advice from the Local Authority regarding improving attendance, this is known as FAST-TRACK to attendance. This will only be used after each stage above has been actioned. If a student is persistently absent due to 'Emotionally Based School Avoidance' please refer to Page 11.

Formal Warning Notice – Stage 3

Parents/Carers will receive a formal warning notice advising them of the responsibility to ensure their child is in school under Section 444 of the Education Act 1996. The formal notice will advise that the Local Authority may consider issuing a penalty notice/taking legal action against you should there be any further unauthorised absence.

You will also receive an up to date attendance print out and a copy of the [FAST-track Legal Action Information for Parents](#):

School Attendance (Legal Action) - Information for Parents

To avoid Legal Action being taken against you for failing to ensure your child/ren attend school regularly, you are advised of the following:

- Ensure your child attends school every day it is open, on time, escorting them into school if necessary and handing them over to a member of staff. **(Please be aware your child will get an unauthorised absence mark when they arrive after registration closes.**
- Contact school on the first day of every absence by 9.30am stating the reason for absence and the likely return date.
- Take your child to the doctor if unwell and provide the school with: medical appointment card with one appointment entered, letter from a professional, doctor's note, medication prescribed by a doctor, copy of prescription, print screen of medical notes, as well as letters concerning hospital appointments or any other relevant evidence.

The Head Teacher will not authorise medical absence without evidence.

How does your child compare?

Attendance during one school year	equals this number of days absent	which is approximately this many weeks absent	which means this number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons

Frequent absence can add up to a considerable amount of lost learning and can seriously disadvantage your child in adult life.

- **Section 23(1) Anti-Social Behaviour Act 2007:**
Penalty notices may be issued to the parent of pupils who have unauthorised absence from school. **The amount of the penalty is £60.**
 - **If this is not paid within 21 days the amount rises to £120.**
 - **If not paid within 28 days the Local Authority may prosecute** under section 444(1) unless it comes to our attention that the penalty notice had been issued in error.
- **Section 444(1) Education Act 1996:**
"If you are the parent of a child of compulsory school age who fails to attend school regularly, you are guilty of an offence."
 - **The court can fine each parent up to £1,000 per child, order payment of the prosecution costs and/or make a Parenting Order.**
- **Section 444(1A) Education Act 1996:**
"If in the above circumstances you, the parent, know that your child is failing to attend regularly at the school and fail without reasonable justification to cause him/her to attend, you are guilty of an offence."
 - **The court can fine you up to £2,500 per child and/or sentence you to a period of imprisonment of up to 3 months, and order payment of the prosecution costs.**

Please note that:

- Penalties and prosecutions are in respect of each parent for each child.
- 'Parent' includes any person who is not a parent of the child but who has parental responsibility for the child (and applies whether or not that person lives with the child) or who has care of him/her.

These prosecutions are criminal proceedings and could result in you having a criminal record.

Education Legal Intervention Team (ELIT) Referral – Stage 4

Following the Formal Warning Notice, if a student continues to have a further 10 unauthorised absence sessions then the school will complete the ELIT Fast-track referral which may result in a penalty notice being issued to the Parent/Carer or in cases where two penalty notices have been issued, Court proceedings will be initiated via the 'Single Justice' procedure.

Monitoring Attendance (KS5) – Target for all students is 96% or above

Student's attendance will be regularly reviewed, and the following actions could happen to support student's attendance.

In keeping with our vulnerable first ethos students who are categorised as vulnerable and have attendance concerns will be targeted first at all stages.

At all stages we want to work with Parents/Carers to support their child's attendance. The below actions work as a **guide** only and different support methods may be more suitable for some students.

COVID Addendum: Due to the current pandemic and the need to isolate for 10 days if a student tests positive for COVID, some of the stages below will not be appropriate. This will be reviewed regularly inline with Government announcements.

Stage 1 Attendance Concern (Below 96%)

School will intervene and offer support using the following:

Tutor conversation with the student about potential attendance concerns.

Initial phone call home to express concern.

Liaison with parents, offer support and put appropriate targets in place.

Letter of concern sent home explaining consequences regarding exam entry.

Stage 2 Attendance Concern

School Attendance Review Meeting arranged with Director of Sixth Form.

Stage 3 Attendance Concern

Student is classified as a Persistent Absentee. Formal Attendance meeting organised with Director of Sixth Form and Assistant Headteacher in charge of Attendance.

Emotionally Based School Avoidance

Where parents are engaging proactively with school to improve a student's attendance but the student is reluctant to attend due to emotional barriers such as; anxiety and worry, challenging thoughts, emotions and self care, then a campaign led by Forward Thinking Birmingham called #youvebeenmissed may be appropriate.

There are resources available for Parents and Carers to support their Son/Daughter's attendance due to Emotionally Based needs: <https://bwc.nhs.uk/parents-and-carers>

The school will only consider moving to past Stage 1 if a Parent/Carer fails to engage appropriately with efforts to improve their child's attendance.
