What is the purpose of History?	Department information
<p>In History at Arthur Terry we have curated a ‘knowledge-engaged’ curriculum, exploring the key moments in History to transform the life chances of our students by developing their:</p> <ul style="list-style-type: none"> • Coherent, contextual and chronological historical knowledge, their understanding of the process of change and its legacy on Britain and the modern world • Cultural capital through the explicit teaching of second order concepts (e.g. cause and consequence; change and continuity; significance; interpretation; enquiry and source skills) and substantive concepts (e.g. Conflict; power; society; empire; religion and reform) <ul style="list-style-type: none"> • Understanding of the complexity of people’s lives, differing interpretations and the diversity of societies • Use of evidence to analyse and evaluate to reach reasoned judgements <p>The History curriculum is vital for all students, particularly those with SEND and those who are socially disadvantaged as it will enrich students' cultural capital and provide them with the foundation of historical knowledge and transferable skills to succeed once they have left school.</p>	<p>Core Leader: Victoria Cooper</p> <p>Subject Leader: Laura Davis</p> <p>Exam board: AQA for GCSE and A level</p>

Our curriculum in History

How do we develop Arthur Terry Learners?

We develop Arthur Terry Learners by ensuring our curriculum and lessons give time and opportunity to develop the foundations of the Arthur Terry Learner habits. We help support students in building resilience, and help to develop preparation both inside and outside of the classroom by using a variety of resources including knowledge organisers. We encourage students to take an active approach in lessons by allowing time for discussion and debate. Our lessons encourage and reward good learning values, as well as teaching British values. Finally, we allow time for students to develop meta-cognition and crucially, build in time for students to apply their new learning and skills.

The curriculum at KS3 and KS4 has been impacted due to the legacy of covid, and adaptations have been made. Please see below.
