

August 2023

Dear Student

We hope that you are successful in your examinations! The following information may be useful to you following the receipt of your exam results this summer.

Grades Explained

Your results slip will indicate the overall grade you have received. This includes the total component marks received for the qualification and Endorsement grades for practical and spoken exams.

BTEC and iMedia students will have a separate slip showing a breakdown of their unit grades.

Grade Boundaries

The grade boundaries can be found on the relevant awarding bodies website. Please see links below:

AQA: <https://www.aqa.org.uk/>

Post Results Services

If you have an enquiry or are concerned about your results, you can request for one or more of the post results services provided by the exam boards. There are currently two main services provided - **Review of Results (RoRs)** and **Access to Scripts (ATS)**.

Please note, the following services are only available for written examinations and does not include any Non-Exam Assessments, practical or speaking exams.

Please see further information below on the services provided and how to make a request. In line with JCQ regulations, student consent **MUST** be provided for all the services detailed below. There is a deadline and a fee for each service should you wish to proceed.

Review of Results (RoRs)

A Review of Results service, offers a **clerical re-check** and/or a **review of marking**

Service 1 (RoR1): Clerical Re-Check

This service is a re-check of all clerical procedures leading to the issue of a result. There will be no change to your final grade. This service will include the following checks:

- that all parts of the script have been marked
- the totalling of marks
- the recording of marks

Service 2P (RoR2P): **PRIORITY Review of Marking (A-Level ONLY) and Service 2 (RoR2): Review of Marking**

The review will determine if the agreed mark scheme has been applied correctly and a re-check of the clerical procedures as detailed in **Service 1 (RoR1)**.

It is essential to note that if a review is carried out there are three possible outcomes:

- Your original grade may be **lowered**
- Your original grade is **confirmed** as the same
- Your original grade is **raised**

Please note Service 2P (Priority Review of Marking) is only available to A-Level students.

Access to Scripts

Students can request access to their marked script(s).

Service ATSP: **PRIORITY Access to Scripts (A-Level ONLY) and Service ATSO: Non-Priority Script and** If you are happy with your results and do not wish to carry out a review of marking you may request a non-priority copy of your script to be returned.

However, if wish to put in for a review of marking and would like a copy of your script beforehand, you can request a **priority** copy of their scripts **before** deciding to put in a review for marking. Please note, this service is only available to A-Level students.

Please note, non-priority scripts may be used for teaching and learning purposes. **If a request for a non-priority script is made, you cannot then submit a request for a review of marking.**

The deadline to apply for all the above services is Thursday 28th September by 1pm except for Service 2P (Priority Review of Marking) and Service ATSP (Priority Access to Scripts) which is on Thursday 24th August.

Make a request

Applications for the post results services requested, will be made directly to the relevant exam board by the Exams Team.

If you wish to proceed with a post results service please note that you must complete the relevant forms and clearly indicate the service you require, the exam board, subject, and the paper (*for e.g. Service RoR2, AQA, English Language, Paper 1*) including payment for the service requested.

Applications MUST be made directly by the student, with proof of payment by the deadlines provided. We will not be able to process any requests without this information.

It is important to read all the information on the service provided carefully and consider all your options before determining the best route. To make a request, click on the link or scan the QR code below and follow the steps as indicated.
