Arthur Terry Enrichment Fund

Giving is not about making a donation, it is about making a difference.

Our Enrichment fund continues to pay a crucial role in supporting the various initiatives that directly benefit our students, departments, and the overall learning environment. These additional funds help support our extensive extracurricular programs which are essential for developing a well rounded education for all students.

There is a long list of extra-curriulcar clubs available to students on our website, a few of which are listed below:

Our Core Values

We follow our core values of kindness, respect, and high aspirations in all elements of school life. As part of our ongoing commitment to these values, we rely on the collective efforts of our school community to enhance the educational experience for all our students.

To ensure we can continue to raise vital additional funds we will need your help!

Can you help?

These additional funds enable us to enhance our extensive extra-curricular program, supporting our students' development and broadening their learning experiences beyond the classroom. We understand that families have varying capacities to contribute, and we deeply appreciate every donation, regardless of size, as each one makes a significant difference. Your generosity will help us continue to offer an exceptional education and shape the future leaders of tomorrow. We welcome one-off payments, and we are extremely grateful for regular contributions as they enable us to plan the best ways in which to support our young people on an ongoing basis. Your payments have also enabled us to boost the Praise system considerably, celebrating the successes of our many students with Praise Points and Celebration assemblies.
