

Dear Parents/Carers,

We are pleased to announce the establishment of a second-hand library for GCSE students, aimed at providing access to essential revision guides. In our commitment to sustainability and fostering a supportive community, we are seeking donations of pre-owned revision guides that can be reused to assist other students in their examination preparations.

If your child has any GCSE revision guides that are no longer needed, we kindly request that they bring them to school and hand them in at the 6th Form Centre on Wednesday 2nd October. Contributions will be acknowledged and rewarded in accordance with our Praise and Behaviour Policy.

Thank you for your support in this initiative, which not only promotes environmental sustainability but also embodies the spirit of helping others.

Kind Regards

Year 11 Team
