

Dear Parent/Carer,

As a school, we have accessed training from Birmingham Educational Psychology Service called 'Trauma informed attachment aware schools training'. Following this, school has implemented the training into various aspects of school life:

Students have been learning about the mind and brain in tutor time and assemblies.

Parent/Carer information evenings have shared our emotion coaching approach to support students' emotional regulation and reflective skills.

The Arthur Terry Way alongside our Praise and Behaviour Policy recognises students' achievements and embodiment of our Be Proud, Be Kind, Be Ready ethos.

Waves of intervention are implemented to support students in addition to advice and guidance acknowledging students' changing needs throughout their time with us.

We now have the opportunity to pursue certification to recognise the trauma informed approach used in school. As part of this process we are collecting data from parents to help us understand how you feel about our practise.

Following review of questionnaire responses, a summary will be shared with the school's Senior Leadership Team to support further developments. Your responses will be anonymous. However, if there are any items that you feel require further discussion with a member of school staff, please leave your name and email address at the start of the questionnaire for someone to contact you following feedback to school from Birmingham Educational Psychology Service.

We will not receive a summary of responses immediately, so please contact us directly if you would like to discuss any of your comments with a member of Senior Leadership Team by emailing:  
enquiry@arthurterry.bham.sch.uk

If you wish to contribute to this survey, please use the following link Arthur Terry- TIAAS Certification Questionnaire (Updated Parent Questionnaire) Deadline for completion is Friday 31st January and responses after this date may not be reviewed.

Kind regards,

Birmingham Educational Psychology Service,

Miss R Geillis

Associate Assistant Headteacher
