SUMMARY OF STUDENT DAILY BRIEFINGS

We are proud to reflect on a fantastic week at Arthur Terry! A huge congratulations to our Year 7 students for their enthusiastic participation in World Book Day. Additionally, well done to the students who demonstrated their dedication by attending Saturday's show rehearsals and planning their Duke of Edinburgh expeditions.

Assessment week was an important milestone, and our students approached it with resilience and determination. Throughout the week, they were encouraged to stay prepared by: planning ahead, reviewing their schedules and prioritising tasks, packing essentials, ensuring they had all necessary materials like pens, calculators, and fully charged iPads, adopting a positive mindset, facing challenges, learning from mistakes, and believing in their abilities.

We also placed a strong emphasis on resilience and community support. Students supported each other by sharing resources, offering words of encouragement, and being there for one another. Together, they fostered a positive and uplifting environment.

Throughout the week, various revision techniques were introduced such as the Cornell Method, The Charting Method and The Feynman Technique. It allowed students to identify gaps in their understanding and revisit the material to fill those gaps effectively.

Congratulations to all our students for their hard work and perseverance throughout assessment week. It was inspiring to see their dedication and how they supported one another. We are so proud of their efforts and achievements!
