

WEEKLY FOCUS

WEEK BEGINNING 24/02/25

SUMMARY OF STUDENT DAILY BRIEFINGS

This week, Arthur Terry focused on promoting selflessness among students. The school is proud of the students who participated in the Canada Ski Trip, commending their excellent conduct and selfless attitude. Students were encouraged to continue demonstrating selflessness through acts of kindness, such as holding doors open, sharing, helping those in need, listening without judgment, and forgiving others.

Key reminders were given to ensure students are on-site by 8:45 am and in their Tutor rooms by 8:50 am. Conduct cards should be in their top blazer pockets with tutors checking correct uniforms during tutor time. Uniform infractions will be noted on conduct cards. Students were reminded to respect school facilities during breaks and lunchtimes, avoiding crowding in corridors.

Assessment week began for Y11 and Y13, with other year groups to follow next week. Students were advised to use their timetables to organize their time and revision effectively.

Events this week included Year 7 students wearing costumes representing fictional characters from their favorite books. Lost property items should be collected from reception before Friday 7th March. Tickets for the school show "Rock of Ages" are now on sale via ParnetPay Shop. The library will reopen after assessment week, offering a variety of resources for learning and reading, including a revision corner for GCSE students and wider reading materials for 6th formers.

The school also reminded students to avoid using corridors during breaks and lunchtimes, utilizing designated areas instead. We are delighted to report over 4,400 positive points have been issued this week, recognising numerous acts of kindness among students. We are proud of the students' achievements and encourage them to continue their positive behavior.
