WHAT WE FOCUSED ON THIS WEEK

It has been an eventful week at Arthur Terry, and we are proud to have provided a diverse range of daily briefings for our students.

Assessment Week Success

Congratulations to all our students for their outstanding performance during Assessment Week! A special mention goes to our Year 11 and Year 13 students for their tremendous effort over the two weeks of assessments. The hard work and resilience demonstrated by everyone will undoubtedly benefit them in the future.

Embracing a Growth Mindset

This week, we emphasized the importance of adopting a growth mindset. We discussed how abilities and intelligence can be developed through dedication and hard work. Students were encouraged to embrace challenges and view them as opportunities for learning. We also explored strategies to avoid fixed mindset traps, highlighting the value of effort and the importance of acting on constructive feedback.

Road Safety Awareness

Our focus then shifted to the crucial topic of road safety, which is vital for all students commuting to school. We stressed the importance of avoiding distractions such as mobile phones and headphones, making eye contact with drivers when crossing the road, and being cautious around driveways. We are delighted that many of our students choose to walk or cycle to school, as these are eco-friendly and healthy modes of travel.

Football Team Achievements

We celebrated the achievements of our school football teams, many of whom have semi-finals and finals approaching. We are on track for an incredibly successful season and wish them all the very best in their upcoming matches.

Attitude to Learning

Our final student briefing of the week focused on the characteristics of an exceptional attitude to learning. We delved into what it means to have a positive and proactive approach to education.
