

WEEKLY FOCUS

WEEK BEGINNING 17/03/25

WHAT WE FOCUSED ON THIS WEEK

This week was packed with exciting events and activities for our students. Our sporting calendar is full, with county netball on Monday, football finals and cricket matches on Tuesday and Wednesday and a handball tournament on Thursday. We extend our gratitude to the PE staff for organizing these events!

In addition to sports, we had PSA days for HSC and BTEC sport this week. On Thursday evening, we invited Year 11 students who have accepted their conditional offers to attend the 6th form Offer Holder Event from 5-7:30pm. This event provided a fantastic opportunity to learn more about the subjects offered and meet the faculty.

Our school show preparations continued with primary matinee performances, promising another successful production. We had a non-uniform day in support of Red Nose Day on Friday and we celebrated Brain Awareness Week with various activities. Additionally, National Sign Language Week also featured learning opportunities for students to engage with sign language.

We emphasized the importance of feedback and a growth mindset, encouraging students to embrace mistakes, value feedback, and strive for improvement. Congratulations to our football teams for their recent victories and to our girls' cricket teams for qualifying for county finals! Commiserations to our Year 10 footballers who narrowly lost in the cup final, they worked incredibly hard.

Students were reminded to wear their blazers, use the lower floor toilets during break and lunch, and keep our school clean by disposing of litter properly.

Thank you for your continued support.
