## ‘REFLECTIONS’

Bridging Tasks

## REFLECTIONS - TASK 1

Produce a series of at least 4 photographs similar to this set.

Think about background, composition, lighting, angles, focus....

Look at the work of Suzanne Saroff and take a further set of photographs inspired by one of hers!

Extension: make an A5 or A4 tonal pencil drawing from one of your photos.

Explore the work of artist Alyssa Monks and respond through photography, painting or drawing.

Watch the 13 minute Ted Talk by this artist, though it is a bit upsetting to hear about her mother's cancer, so avoid if this may be a trigger:

If you are going away  
this summer,  
somewhere with a  
pool, take a set of  
photos in the style of  
Lorraine Shemesh...
