Item	Colour and Style
Blazer (for all students in years 7-10)	The school blazer must be black with the Arthur Terry Logo. The blazer should not be tight fitting and the sleeves must not be rolled up. If a student outgrows a blazer during a school year, a new one will need to be purchased irrespective of how long is left of the academic year; students will not be allowed to attend lessons without a blazer. Please note that parent/carers are welcome to purchase second-hand blazers and there is also a hardship fund available to parents/carers facing financial difficulty. On days when the weather is hot, school will make a decision on a daily basis as to whether students can remove their blazers for the duration of the day; however, students must bring their blazers to school every day without fail. Individual classroom teachers will make a decision within their individual classroom as to whether students can remove blazers should it be deemed suitable for students to do so.
Blazer Badge	Sew on badge for use on a blazer purchased without an embroidered logo. This can be a cheaper option as the blazer can be purchased from any outlet selling blazers such as supermarkets.
Year 11 (only)	School white polo shirt and school grey sweatshirt for Year 11 students with Arthur Terry School Logo. Please note that Year 11 grey jumper must be worn correctly and must not be wrapped over shoulders.

Skirts must not be rolled up and/or tied at the back to make the skirts shorter. We ask parents/carers to support the school by ensuring that your daughter does not roll up/tie up their skirts.
Shirt	White, conventional school style, short or long sleeve. These must be loose fitting. They can be purchased from any outlet of your choice including supermarkets where they can often be purchased cheaply. Shirts must be tucked in at all times. Bras must not be brightly coloured, so they do not show through the white shirt.
Tie	Clip on tie in colour relevant to year group (for Sept 2024 Yr7 = Red, Yr8 = Blue, Yr9 = Yellow, Year 10 = Green). Purple ties are prohibited. Parent/carers are recommended to purchase spare ties in case of loss or damage. Ties must be clipped on at the top of the shirt.
Jumper (optional)	Black, V-neck, with Arthur Terry Logo. Other jumpers or cardigans are not permitted. This includes sweatshirts and/or hooded jumpers. Please also note that the optional school jumper cannot be worn without the school blazer; the school jumper is not allowed to replace the blazer. The blazer is compulsory, and the jumper is optional.
Socks/tights	When wearing trousers, socks must be a neutral colour e.g. black, grey or white; they must be a plain style, not patterned. When wearing the Arthur Terry skirt, over the knee/long socks are not permitted; only ankle socks are allowed. Tights are recommended; we kindly request that parent/carers do not allow students to arrive to school in ripped/torn tights.

There is a hardship fund available to parents/carers facing financial difficulty.</p>

Coat hoods must not be worn up and over the head in any covered areas including the atrium. Coats must not be worn in tutor time, lessons or assembly.</p>

Non-uniform days	<p>We would like to remind students that it is privilege to come into school in their own clothes on a non-uniform day; it is still a normal school day and students are required to bring in all the necessary equipment for a normal school day; this would typically include a school bag, PE kit if the student has PE that day, appropriate footwear for school, a fully charged iPad and any stationery such as pens, a green pen for marking, mathematics equipment etc.</p> <p>Below is a list of items that are not acceptable on a non-uniform day. We would like to be clear that this is not an exhaustive list. Please note that school judgement will be final and we would expect all parents/carers to support the school. Where a student is deemed to be not dressed appropriately by school, we would expect parent/carers to bring into school replacement clothing. We would also like to remind students that their clothing needs to be appropriate for the weather.</p> <p>Please note that on World Book Day, this is not a non-uniform day. Students are expected to dress up as a character and not just wear their own clothes. Any student who does not adhere to this, may be prohibited from taking part in World Book Day in the future.</p> <p>Prohibited items of clothing:</p> <ul style="list-style-type: none"> Crop-tops or any other item of clothing where a student's midriff is not covered Tops or other items of clothing that expose a bra or other underwear Offensive imagery/language Inappropriate imagery eg of a sexual nature Baseball caps and other hats Crocs/sliders High heels <p>Piercings and jewellery – exactly the same as any other school day.</p> <p>Hair colour – exactly the same as any other school day.</p>

THE WEARING OF JEWELLERY AND BODY PIERCINGS IN SCHOOL

The school has a strict policy on the wearing of jewellery and body piercings implementing guidance from BAALPE (British Association of Advisers and Lecturers in Physical Education). The Health and Safety of students engaged in school activities is paramount and the school takes this responsibility seriously. The school rules state:

- No facial piercings, including tongue piercings, are allowed.
- Only studs may be worn as items of jewellery. Watches may be worn. All other jewellery must be left at home.
- No jewellery or items of body piercings may be worn for P.E. They must be removed. The **taping of piercings is no longer an option** and should not be done by a parent, child or adult in school. Tappings may come loose and become a danger to others. Parents have a responsibility therefore to ensure that their children clearly understand that studs must be removed for P.E. and we advise that they are left at home on these days.

We thank you for your support with this matter to ensure that the health and safety of all our students is maintained in all our school environments
